I just spoke with John Herbold sister and she told me that the Girl friend told the US Consulate that she was his common law wife and they said ok. She took charge and had him buried. She will keep all of his things and that is the end of it.

Sorry

John Herbold died on the 10th of June 2017 at 4:30pm. John's funeral and burial were on the 12th June 2017 at 3:30pm. There was no response to the obituary question; given the time frame and considering the country I would presume there was none.

John was laid to rest in Managua, Nicaragua. Cemetery: Puertas del Cielo Milagro de Dios

John and Victoria's daughter is Maria Fernanda Suerte Herbold Garcia. She was born on the 12th April 2012 in Managua, Nicaragua.

At this time we do not have Victoria Garcia's full name but will probably get it in due course.
