This information was provided by Daughter & Mike Clark

More detail on this person: Dad has turned a corner and likely doesn't have long to live. He'd been clear with us that he didn't want to live on a machine so he's fighting on his own. Giving it a good fight but his lungs are just so damaged. He's been so lonely since my mom went to Heaven. He's lived with us in Abilene but that's been hard away from all his friends. Our address 5547 FM 89 Lot C, Tuscola, TX 79562 Share as you'd like. Dad is at Henderick Hospice in Abilene. I'm sitting next to him just praying for his comfort & peace.
