More detail on this person: John P Qualles Man's Death Possible Suicide LONG BBANCH - City police and Dr. Stanley Becker, county medical examiner, today continue an investigation of the death Tuesday of John P. Qualles, 22, of 78 Brighton Ave. Dr. Becker yesterday said the man's death may be a possible suicide. He said death was caused by carbon monoxide poisoning. Mr. Qualles' body was found in his van-type truck parked on Brighton Court. He was pronounced dead on arrival at Monmouth Medical Center shortly after noon Tuesday. Dr. Becker said yesterday that a hose was found to be linked from the van's exhaust system to the interior of the vehicle. The county physician also noted that, he is probing the possibility that drug use may be linked to the city man's death. City Defectives Herbert Cofer and Albert Tyler are investigating for city police, No notes were found at the scene, according to police. Published in The Red Bank Register February 17, 1972

Burial information: Monmouth Memorial Park, Tinton Falls, NJ

### Man's Death Possible Suicide

LONG BRANCH - City police and Dr. Stanley Becker, county medical examiner, today continue an investigation of the death Tuesday of John P. Qualles, 22, of 78 Brighton Ave.

Dr. Becker yesterday said the man's death may be a possible suicide. He said death was caused by carbon monoxide poisoning.

Mr. Qualles' body was found in his van-type truck parked on Brighton Court. He was pronounced dead on arrival at Monmouth Medical Center shortly after noon Tuesday.

Dr. Becker said yesterday that a hose was found to be linked from the van's exhaust system to the interior of the vehicle. The county physician also noted that,

he is probing the possibility that drug use may be linked to the city man's death.

City Detectives Herbert Cofer and Albert Tyler are investigating for city police, No notes were found at the scene, according to police.

Note: I believe that the city name is Long Branch, not Long BBanch, typo?  
Long Branch is in New York, that seems to fit other data. SM
