More detail on this person: Died of a Respiratory Infection in the ICU. I know that dad was a very proud member of the VHPA and had many friends there. I believe he hadn't missed the 4th of July reunion in over a decade (I went with him to Atlanta in the 90's when I was in college :-) ) He really loved your organization.

We are still dealing with the shock of his passing and just wanted to let you know. Please pass this information on to anyone you feel knew my dad. Thank you.
