Lake man dies in cycle crash

MIDDLETOWN — A Middletown man died Tuesday when his motorcycle struck two large rocks along Highway 175 and caught fire.

Dead at the scene was Gary Andrew Zuber, 28.

According to the Highway Patrol, he was southbound on Highway 175 at 2:30 p.m., just north of Dry Creek Road, when he lost control of his motorcycle due to excessive speed.

The bike went off the roadway and rolled, striking two large rocks and throwing Zuber off. The exhaust pipe ignited a small grass fire, reports show, and the gas cap of the cycle blew off, dousing Zuber with gasoline. His clothing caught fire, and he was unable to flee the fire or extinguish the flames due to his injuries, the Highway Patrol reported.
